

The image is a low-fidelity wireframe of a web application interface, specifically for group management. It features a clean, minimalist design with a light gray background and dark gray borders.

**Header:** The top of the page has a light gray bar. On the left, there is a placeholder for a "logo". On the right, there is a greeting message: "欢迎你, admin".

**Sidebar:** A vertical sidebar on the left side contains several navigation links, each in a rounded rectangular button:

- 用户管理 (User Management)
- 权限管理 (Permission Management)
- 组管理 (Group Management) - This button is highlighted with a red background, indicating the current active section.
- 集群管理 (Cluster Management)
- 实时系统 (Real-time System)
- 离线系统 (Offline System)
- 用户BI (User BI)
- 报表管理 (Report Management)

**Main Content Area:** The central area is titled "新增组" (Add New Group) in a light gray box. Below this title, there are two main sections for form input:

- 名称 (Name):** A single text input field.
- 成员 (Members):** A section with a "成员" label. It contains a search bar with a magnifying glass icon and a list of members:
  - ☐ 全选 (Select All)
  - ☐ 研发部 (R&D Department) - with a dropdown arrow
  - ☐ 应用开发部 (Application Development Department) - with a dropdown arrow
- 权限 (Permissions):** A section with a "权限" label. It contains a search bar with a magnifying glass icon and a list of permissions:
  - ☐ 全选 (Select All)
  - ☐ 选项 (Options) - followed by a text input field labeled "权限名称" (Permission Name)
